WEXLER, J.

This is an action commenced by Petitioner, pursuant to the Federal Arbitration Act, 9 U.S.C. § 10, to confirm an arbitration award dated December 3, 2007. This action was commenced on December 28, 2007. In a Memorandum and Order dated February 6, 2008, this court observed that Respondent, Integrated Construction Services, Inc. had neither responded to the petition nor sought any extension of time in which to respond. Accordingly, the petition appeared to be unopposed. The court nevertheless granted Respondent two weeks from the date

of the Memorandum and Order in which to respond to the Petition and stated that failure to respond within the time frame set by the would result in entry of judgment on the award as requested.

The time period set by the court has passed and the Respondent has failed to respond. Accordingly, the Clerk of the Court is directed to enter judgment on the arbitration award as requested by the Petitioner. Petitioner is to submit an appropriate judgment for entry.

SO ORDERED.
